Hello! I'm participating in PAW-A-THON™ at the San Leandro Marina Park on Saturday June 27th. We are helping Four Paws Society raise funds for the new San Leandro Dog Park and Spay/Neuter Program.

Paw-a-thon is a 1-mile walk with a view of the bay and Pet Resource Fair. We can walk with or without a dog, as an individual or with a team of friends, family or co-workers. Do you want to join our team?

Please help me make my goal and consider sponsoring me today . My Pledge Form is attached. Checks are to be made payable to Four Paws Society.

We are also looking for more supporters to help!

**THANK YOU!**
